

Genderwise

Promoting Gender Equality in Sports Leadership

Project number: 101183374

Research-based approach

Built on research conducted with young female athletes and sports professionals across Europe, ensuring real needs are at the core of the project.

Education & skills development

Developing an innovative educational program focused on leadership, inclusion, dual careers, and gender equality in sport.

Digital & inclusive learning

Creating MOOC-based learning content that is flexible, accessible, and designed for self-paced online learning.

Who We Are?

We are a European partnership of organizations committed to advancing gender equality and inclusion in sport by supporting young female athletes and promoting leadership development across the sports sector.

What We Do?

We develop research-based educational programs and create digital learning content that empower young female athletes to build leadership, coaching, and professional skills. Through inclusive and accessible online learning, we support gender equality, dual career development, and long-term change in sport.
